First time login to the Business Cash Card portal

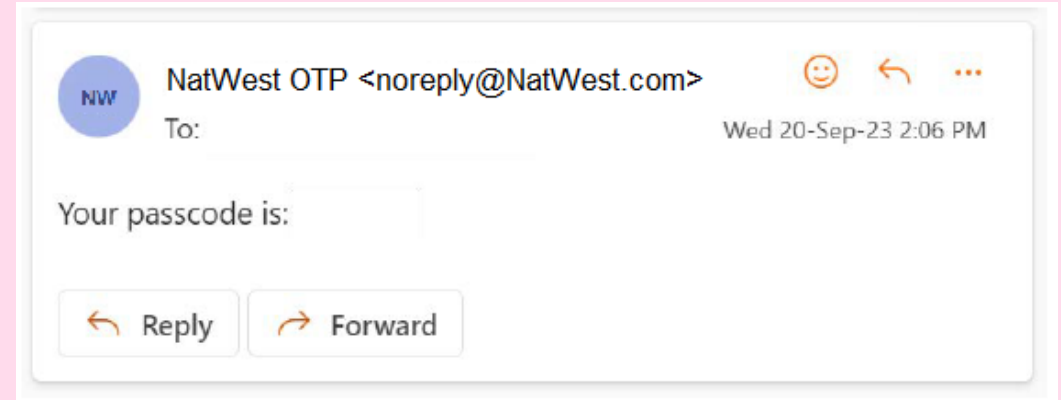

Follow the below steps after you have registered successfully on the Business Cash Card portal:

1. Go to the **Business Cash Card portal login** screen.
2. Enter your username and password.
3. Enter the OTP (One Time Password) that is sent to your email address.

The image shows two side-by-side screenshots of the Business Cash Card portal. The left screenshot is the 'Login' screen for existing users. It displays the email address 'all*****@fiserv.com' and a red error message 'Please enter valid OTP.' below the OTP input field. There are 'Cancel' and 'Login' buttons at the bottom. The right screenshot is the 'Register' screen for new users, showing a role selection dropdown menu and a 'Continue' button.

4. After the successful log on and from this point onwards, you would need to use your username and password for each subsequent log on.
5. An OTP is requested in addition to your username and password if you
 - a) do not log on for 30 days or more
 - b) log on from a new device or
 - c) have cleared your browser cookies.

The image shows an email interface for a message from 'NatWest OTP <noreply@NatWest.com>' received on 'Wed 20-Sep-23 2:06 PM'. The email body contains the text 'Your passcode is:' followed by a text input field. At the bottom, there are 'Reply' and 'Forward' buttons.

Add new cardholder (Part 1)

To add a new cardholder, follow these steps:

1. Click **+ Add** on the upper-right corner of the **Users & Cards** screen and select **Add New Cardholder**. The *Add New Cardholder* page displays.
2. Click the **Select Company Name** drop-down box and select the company name.
3. Click the **Select Branch Account** drop-down box and select the branch account the cardholder needs to be added.
4. Click **Next**. The *Add New Cardholder* page displays that has two sections: **Card** and **User**.

Note: The Card section is the active default view at this stage. The Branch Account that you have selected in the previous step displays on the top-right corner.

5. In the **Account Details** panel, enter account details in all the mandatory fields, marked with an asterisk.
6. In the Shipping Address panel, select a shipping address type. The options are:
 - * Alternate Card Shipping Address
 - * Registered Business Address
 - * Business Site Address

If you select the Alternate Card Shipping Address option, you need to enter details in the below additional fields:

- * Address Line 1
- * Address Line 2
- * City
- * County
- * Postal Code
- * Country

The screenshot shows the 'Add New Cardholder' form in the 'Business Cash Card' system. The form is divided into two main sections: 'Card' (active) and 'User'. The 'Card' section includes 'Account Details' (Company Name, Title, Street Name, Last Name, Date of Birth, Nationality, Country of Residence) and 'Shipping Address' (Address Type, Address Line 1, Address Line 2, City, County, Postal Code, Country). The 'User' section includes 'Contact Details' (Email Address, Work Phone, Mobile Phone, Residential Address Lines 1-3, Residential Address City, Residential Address County, Residential Address Postal Code, Residential Address Country) and 'Limit Details' (Cash Withdrawal Limit, Cash Withdrawal Limit Rollout Period). A 'Next' button is at the bottom right.

Add new cardholder (Part 2)

7. In the **Contact Details** panel, enter the residential address of the cardholder in all the mandatory fields.
8. In the **Limit Details** panel, enter the cash withdrawal limit (GBP) for the cardholder in the **Cash Withdrawal Limit** field.

The value in the **Cash Withdrawal Limit** Refresh Period field is automatically selected for the cardholder. The cash withdrawal limit can be daily, weekly or monthly.

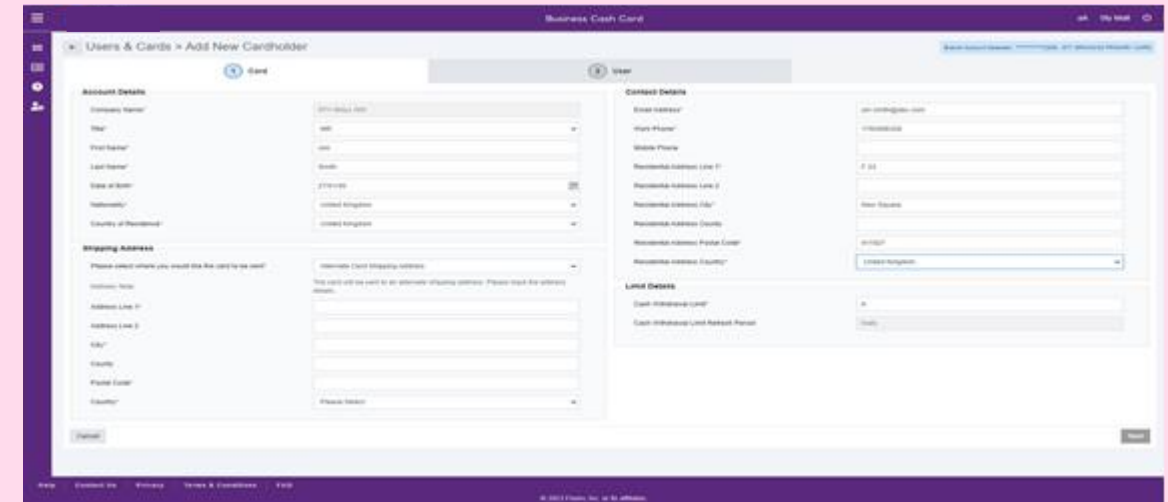

9. Click **Next**. The **User** section displays.
10. In the **User Details** panel, click the **Profile** drop-down box and select a profile that you want to assign to the user.

Note: When adding a new cardholder, you should always select the **Cardholder** profile.

11. In the **Viewpoint** on the portal, click . The User Viewpoint dialog-box displays.
12. Select the viewpoint you want to set for the user on the portal. You can also search for the appropriate viewpoint from the **Search** box within the **User Viewpoint** dialog- box.

Note: For companies with only one branch account, the user viewpoint should always be the company name.

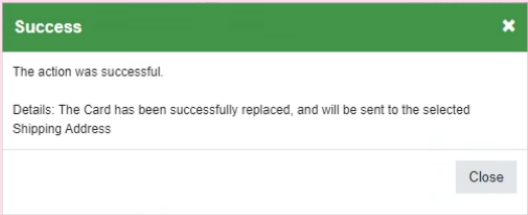

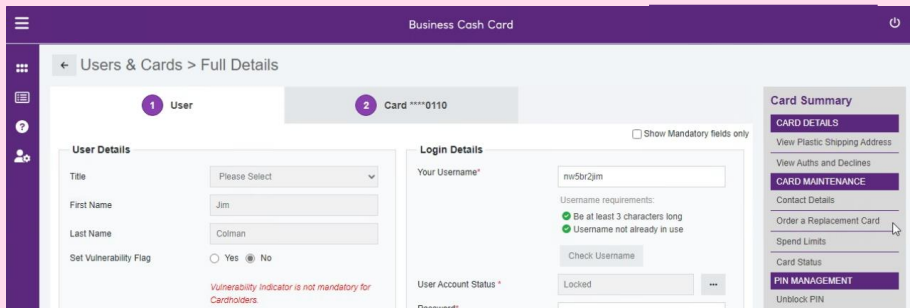

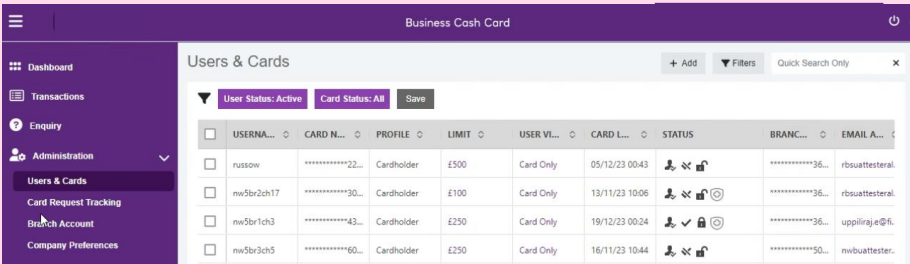

13. Click **Select** to return to the **Add New Cardholder** page.
14. Click **Submit**.

Order a replacement card

The **Order A Replacement Card** function allows you to order a replacement card for a user.

1. Select **Users & Cards** in the left side navigation.
2. Select the user that requires a replacement card by ticking the check box and select the **Full Details** icon on the right side navigation.
3. Click the **Order A Replacement Card** link from the **CARD MAINTENANCE** section on the **Card Summary** panel to order a replacement card on the RBS portal.
4. Select the shipping address of the card and click on the order card button.
